REFLECTING REALITY

# EDUCATIONAL FIELD TRIP

Our school had the privilege of visiting the Sea Shell Museum with Aquarium, Boat & Fishing Museum, and Dinosaur Park as part of our annual school picnic. The day began with a fascinating tour of the Sea Shell Museum, where we discovered the incredible diversity of sea shells and learned about the importance of marine conservation. Next, we explored the aquarium, marveling at the colorful fish and other aquatic creatures that call it home. After lunch, we took a break to visit the Boat & Fishing Museum, where we learned about the history and techniques of fishing and boat-making. Finally, we ended the day with a visit to the Dinosaur Park, where we came face-to-face with life-sized replicas of prehistoric dinosaurs. It was an exhilarating experience that left us all in awe of the natural world and eager to learn more about our planet's fascinating history.

We cordially invite you for a seminar on

## Commerce Uncovered

Trends, Strategies, and Opportunities

REFLECTING REALITY

# COMMERCE DAY

***Commerce education is the foundation for a successful career in the world of finance, trade, and entrepreneurship.***

Grade 11 and 12 students showcased their skills and knowledge on Commerce Day with presentations on entrepreneurship, marketing, and finance. The teams demonstrated their understanding of the concepts in engaging, informative, and professionally delivered presentations. The event was a great success, with students developing their communication and teamwork skills and gaining confidence in presenting to an audience. The presentations also provided valuable insights into the real world applications of commerce concepts, inspiring students to think critically about the global economy.

# PARENT TEACHER MEETING

## *Building bridges between home and school*

The parent-teacher meeting was a significant occasion for both parents and teachers to come together and discuss the progress of their child's education. The meeting was attended by the teacher, parents, and the child. The teacher provided an update on the child's academic performance, behavior, and progress in various subjects, highlighting areas of strength and weakness. The parents had an opportunity to ask questions, share concerns, and provide feedback on their child's learning experience. The meeting also served as a platform for setting goals and objectives for the child's future development, ensuring a collaborative effort between home and school.

# STUDENT LED MOVEMENT

## *Empowerment Through Education, Action Through Unity*

Student-led movements are grassroots campaigns driven by young people responding to issues affecting them directly. Authentic and relatable, they create a sense of community and inspire others to join their cause

## ***MVM School Students Lead Drug Awareness Rally***

Mahalakshmi Vidya Mandir (CBSE) Senior Secondary School students recently organized a drug awareness rally to educate their peers and the public about the dangers of drugs. Guided by the teachers and other adults, the students are learning about the severe consequences of drug use and advocating for a drug-free life. Their message is clear: "Say No to Drugs." These young leaders are committed to making a positive change in the community.

### ***MVM's Drug Awareness Assembly: Educating and Empowering Students***

Mahalakshmi Vidya Mandir (CBSE) Senior Secondary School recently hosted a drug awareness assembly that featured a student-delivered speech and a dramatic skit. The speech effectively highlighted the dangers of drug abuse, enhancing students' listening skills and awareness. Following this, a short drama vividly portrayed the harsh realities of addiction, making the issue more relatable and impactful. The school also held an inspiring anti-drug drawing competition, where students showcased their creativity and passion for promoting a drug-free lifestyle.

By combining auditory and visual learning methods, the event ensured that the message resonated with all students. Through such engaging and informative activities, MVM is fostering a safe and informed school environment, encouraging students to make responsible choices.

# VISHNU SAHASARA NAMA MASS CHANTING

Mass chanting of the Vishnu Sahasra Nama helps students improve focus and reduce stress, enhancing academic performance. It promotes mental clarity and discipline, benefiting sports activities. The practice brings peace and protection, creating a positive learning environment. Additionally, it fosters spiritual growth and instills important values.

REFLECTING REALITY

# INDEPENDENCE DAY CELEBRATION

The Independence Day celebration at MVM began with the flag hoisting by the correspondent, followed by the national song "Vande Mataram" in remembrance of our freedom fighters. The event featured a fest where tiny tots dressed up as freedom fighters and participated in a ramp walk cosplay. The correspondent sir delivered a speech highlighting the significance of the day and the struggles of our freedom fighters.

# INDEPENDENCE DAY CELEBRATION

## Prize Distribution

The event was followed by a prize distribution ceremony, where the correspondent sir handed out awards. The celebration was a heartfelt tribute to the nation's heroes and an engaging experience for the students.

# KRISHNA JAYANTHI CELEBRATION

Mahalakshmi Vidya Mandir (CBSE) Senior Secondary School celebrated Krishna Jayanthi with great enthusiasm, marking the birth of Lord Krishna. Tiny tots dressed up as Radha and Krishna, adding charm to the festivities. The event featured mass chanting and a short skit reenacting scenes from Krishna's life. The celebration was a delightful blend of devotion and cultural education for the students.

# OPEN INTER-SCHOOL KARATE COMPETITION

Mahalakshmi Vidya Mandir (CBSE) Senior Secondary School hosted an exciting inter-school karate competition organized by Unique Karate Academy. Students from various schools showcased their skills and sportsmanship, competing in different categories of kata and kumite. The event fostered camaraderie and teamwork, promoting the values of discipline and perseverance in martial arts among the young participants.

Students from MVM also participated in the competition, demonstrating remarkable skill and determination. Their hard work paid off as they clinched several prizes, bringing pride to their school and setting an inspiring example for their peers.

# GRAND OPENING: MAHALAKSHMI TECH CAMPUS

Mahalakshmi Vidya Mandir (CBSE) Senior Secondary School celebrated Krishna Jayanthi with great enthusiasm, marking the birth of Lord Krishna. Tiny tots dressed up as Radha and Krishna, adding charm to the festivities. The event featured mass chanting and a short skit reenacting scenes from Krishna's life. The celebration was a delightful blend of devotion and cultural education for the students.

# CHALLENGE CHAMPIONS

Our school students have consistently showcased their talent and determination by participating in various competitions at other schools and colleges, emerging victorious time and again. Their hard work and teamwork have not only brought home a plethora of awards but have also strengthened our school's reputation as a hub of excellence. Each win is a testament to their dedication and a source of pride for the entire school community, inspiring their peers to aim high and chase their dreams.
