NEW YEAR BEGINS

Start of the new academic session

The new academic session at our school began with great enthusiasm even before the summer vacation, setting a focused and purposeful tone right from the start. Students eagerly stepped into their new classes, meeting teachers and classmates, and getting a head start on their academic journey. Early sessions helped lay a strong foundation for the year ahead, allowing for a smooth transition and better preparedness. With this momentum, we look forward to a year filled with meaningful learning, growth, and achievement in a vibrant and engaging environment.

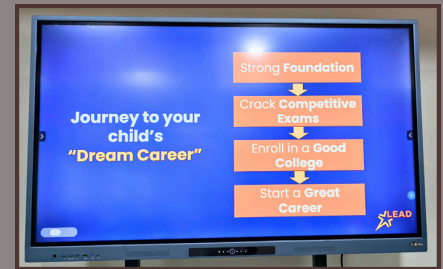

STRENGTHENING FOUNDATIONS

PARENT ORIENTATION

Lead Foundation Program Workshop – Grades 5 to 8

Mahalakshmi Vidya Mandir CBSE recently organized an on-campus workshop for parents of Grades 5 to 8, focusing on the Lead Foundation Program. The session aimed to introduce the curriculum, highlight its long-term benefits, and strengthen the partnership between parents and educators. Mr. Joy Joseph David led the workshop with a clear and engaging slideshow presentation, explaining how the curriculum supports strong academic foundations, critical thinking, and future-ready skills. Parents were given insights into how the program aligns with their child's growth and learning goals.

An interactive Q&A session followed, where parents actively participated and had their concerns addressed. The overall response was highly positive, with parents appreciating the school's transparency and commitment to quality education.

FOSTERING FUTURE LEADERS

A WORKSHOP ON PERSONALITY DEVELOPMENT

Personality Development Workshop for Our Senior Students

Our School recently conducted a Personality Development Workshop to help students build confidence, improve communication, and develop leadership skills. The session included interactive activities, group discussions, and real-life scenarios that encouraged self-expression and teamwork.

Students actively participated and learned the importance of self-awareness, positive body language, and goal setting. The workshop was positively received, with numerous students expressing how it enhanced their confidence and provided greater insight into their personal development.

The school remains committed to nurturing well-rounded individuals through such meaningful initiatives.

EMPOWERING EDUCATORS

BRAINDEMICS WORKSHOP

Innovative Teaching in Action: Braindemics Workshop

Our School recently conducted a dynamic workshop in collaboration with Braindemics, focused on enhancing teaching strategies and classroom engagement. Teachers explored innovative methods to promote concept-based learning and 21st-century skills.

The interactive session included practical activities and expert insights, leaving our educators inspired and better equipped to foster meaningful learning experiences. We thank Braindemics for their valuable contribution to our continuous journey of educational excellence.

ELEVATING EDUCATION

A LEAD WORKSHOP

Empowering Educators: LEAD Workshop at Our School

To enhance teaching excellence and empower our educators with innovative strategies, a professional development workshop was conducted by LEAD at our school. The session united our dedicated teachers in an engaging and insightful experience.

Led by a skilled facilitator from LEAD, the workshop focused on modern classroom practices, student-centric teaching approaches, and effective use of digital tools. Teachers participated in interactive sessions, hands-on activities, and collaborative discussions that fostered fresh perspectives and renewed enthusiasm for teaching.

The workshop not only enriched our faculty's skill set but also aligned with our commitment to continuous learning and excellence in education. We thank LEAD for their valuable contribution and look forward to many more such opportunities for growth.

MELON MASTI

Refreshing Smiles with Watermelon Delights

Our school recently celebrated a fun-filled event called Melon Masti on the last day of school, bringing smiles and refreshment to all! The event was organized to help students beat the summer heat while promoting healthy eating habits as they headed into their vacation.

Juicy and delicious watermelon slices were distributed to all students, who enjoyed the cool treat with great excitement. The vibrant red fruit not only refreshed everyone but also created a cheerful and festive atmosphere on campus.

Melon Masti was a simple yet delightful way to wrap up the school year and remind students of the joy of eating fresh fruits. It was truly a sweet and memorable way to bid farewell to another wonderful academic year!
