# EXPLORING AIR TRAFFIC MANAGEMENT

## *Educational Visit to Air Traffic Management Facility*

Our school students had the opportunity to visit the Air Traffic Management (ATM) facilities at Chennai International Airport. The visit offered valuable insights into the functioning of air traffic control, guided by two experienced controllers who explained key processes and systems.

The students observed the operations in the control room, where staff managed flight movements with remarkable precision, and later visited the radar room to see the advanced tracking systems in action. The technology and coordination on display were truly impressive.

The questions were patiently answered, helping us appreciate the responsibility and leadership required in this critical field. The experience was both educational and inspiring.

# CARING BEYOND CLASSROOMS

## *A Step Towards Good Health: Medical Camp at Mahalakshmi Vidya Mandir CBSE*

Mahalakshmi Vidya Mandir CBSE Senior Secondary School proudly organized a comprehensive Medical Camp on campus, in collaboration with the esteemed Sree Balaji Medical College and Hospital. The initiative was a resounding success, reflecting our commitment to the health and well-being of our students and staff.

A team of dedicated and experienced doctors from various specialties graced the occasion, offering their time and expertise for free medical consultations. The camp featured:

## REFLECTING REALITY

- **ENT Specialist** – Addressed ear, nose, and throat concerns with professional care and useful tips for seasonal allergies and infections.

- **General Physician** – Conducted basic health screenings and provided valuable advice on maintaining overall physical wellness.

- **Ophthalmologist** – Performed eye check-ups to help detect early signs of vision problems among students.

- **Gynaecologist** – Held informative sessions and consultations for adolescent girls, focusing on menstrual health and hygiene.

## REFLECTING REALITY

- **Paediatrician** – Checked on the general health of younger students, ensuring proper growth and development milestones.

The event witnessed enthusiastic participation from students, parents, and staff members. Each visitor underwent basic health screenings such as blood pressure, height, weight, and BMI checks. The interactive consultations were especially appreciated, as students not only received medical attention but also learned about preventive care.

This medical camp is a shining example of how community partnerships can promote health awareness and early detection of health issues. We extend our heartfelt thanks to the team from Sree Balaji Medical College and Hospital for their invaluable service.

At Mahalakshmi Vidya Mandir, we believe that a healthy student is a happy learner. We look forward to hosting many more such meaningful initiatives in the future!

# A JOYFUL MILESTONE

## *Kindergarten Graduation 2025*

The Kindergarten Graduation Ceremony at Mahalakshmi Vidya Mandir CBSE Senior Secondary School was a heartwarming celebration of growth, learning, and joyful beginnings. Dressed in caps and gowns, our young graduates proudly stepped onto the stage, beaming with excitement and confidence.

The event was made even more special with delightful performances by the children. They sang cheerful songs, danced with energy and enthusiasm, and presented a short drama that won the hearts of everyone in the audience. Their talent, teamwork, and joy lit up the stage and filled the hall with smiles.

## REFLECTING REALITY

The event was made even more special with delightful performances by the children. They sang cheerful songs, danced with energy and enthusiasm, and presented a short drama that won the hearts of everyone in the audience. Their talent, teamwork, and joy lit up the stage and filled the hall with smiles.

Throughout the year, these little learners explored the world of letters, numbers, and stories—growing in curiosity, courage, and creativity. The ceremony concluded with the proud moment of receiving graduation certificates.

As they move forward to Grade 1, we wish them continued success and happiness. Congratulations, Class of 2025—you've made us all so proud!

# CODE YOUR WAY TO SUCCESS

## *Coding Seminar Opens Doors to Digital Learning*

Our school recently organized a thought provoking Coding Seminar for students of Grades 6 to 12, led by Dr. R. Bhargavi, a renowned expert in Machine Learning, Deep Learning, and Complex Event Processing, with impactful research in healthcare and agriculture.

Dr. Bhargavi gave students valuable insights into the world of coding—where to begin, how it works, and why it matters in today's world. She introduced various online platforms for learning coding, including both free and paid courses from leading institutes around the globe.

The session also covered essential tools like Git and GitHub, and listed popular websites for practising coding—helping students understand the resources available to develop their skills independently. It was an inspiring and informative session that encouraged students to take their first steps into the exciting world of programming!

# FOOTPRINTS OF INNOVATION

## *Seminar on Footwear Designing by FDDI, Chennai*

Mahalakshmi Vidya Mandir CBSE recently hosted an engaging seminar on Footwear Designing and Industry Development by the Footwear Design and Development Institute (FDDI), Chennai Branch.

The session introduced students to the creative and technical aspects of footwear design, showcasing career opportunities in fashion, design, and manufacturing. Experts from FDDI shared valuable insights through presentations and real-life examples, sparking curiosity among students. The seminar highlighted how design, innovation, and sustainability are shaping the future of the footwear industry in India. It was an inspiring experience that encouraged students to explore unique and creative career paths.

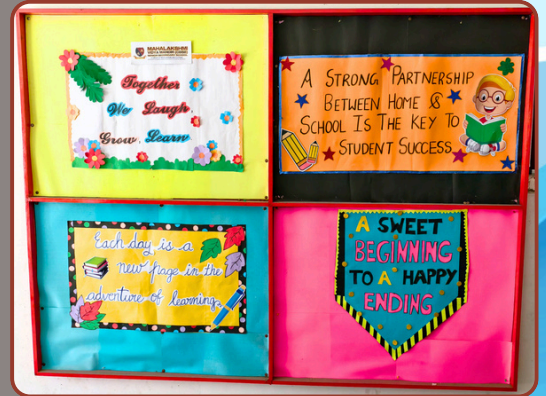

We thank FDDI for this enriching session that truly broadened our students' horizons.

# PARENT TEACHER MEETING

## *End of the Year Parent-Teacher Meeting Concludes on a Positive Note*

The End of the Year Parent-Teacher Meeting was held successfully, offering a meaningful opportunity for parents and teachers to reflect on students' progress and achievements over the academic year. Teachers shared valuable insights into each child's academic growth and overall development, while parents engaged in constructive discussions about their child's strengths and areas for improvement. The meeting reinforced the importance of a strong home-school partnership and set a positive tone as students prepare to step confidently into the next academic year.
